Clerk of Courts

MICHAEL E. GANS
CLERK OF COURT

This is a motion for a Pro Se Brief. For my Direct Appeal. My understanding was I was granted my motion to do a Pro Se brief on my own behalf by the appeals Court. I ask my Attorney to put in a request for the opportunity to put my own brief in. Ms. Jennifer Chaplinsky said it was granted. If these statements are not true and correct. I request a new appeal Attorney and a chance to do my own Pro Se Brief as well. Under the Constitution and my 6th amendment I have the right to due process of the law. And I am entitled to have effective representation in my Appeal.

Michael E. Gans I no longer want Ms. Jennifer Chaplinski to represent me any longer in my appeal if these statements are not true and correct. I am requesting a new Appeal Attorney

Thank You

Mr. Milton Rucker

Appellant
